### A Continual Strain.

Many men and women are constantly  
subjected to what they commonly term  
"a continual strain" because of some  
financial or family trouble. It wears and  
distresses them both mentally and phys-  
ically, affecting their nerves badly and  
bringing on liver and kidney ailments,  
with the attendant evils of constipation,  
loss of appetite, sleeplessness, low vitality  
and despondency. They cannot, as a  
rule, get rid of this "continual strain,"  
but they can remedy its health-destroy-  
ing effects by taking frequent doses of  
Green's August Flower. It tones up  
the liver, stimulates the kidneys, insures  
healthy bodily functions, gives vim and  
spirit to one's whole being, and event-  
ually dispels the physical or mental dis-  
tress caused by that "continual strain."  
Trial bottle of August Flower, 25c; reg-  
ular size, 75c. At all druggists.—W. T.

### Healthy Mothers.

Mothers should always keep in good  
bodily health. They owe it to their  
children. Yet it is no unusual sight to  
see a mother, with babe in arms, cough-  
ing violently and exhibiting all the symp-  
toms of a consumptive tendency. And  
why should this dangerous condition ex-  
ist, dangerous alike to mother and child,  
when Dr. Boschee's German Syrup  
would put a stop to it at once? No  
mother should be without this old and  
tried remedy in the house—for its tim-  
ely use will promptly cure any lung,  
throat or bronchial trouble in herself or  
her children. The worst cough or cold  
can be speedily cured by German Syrup;  
so can hoarseness and congestion of the  
bronchial tubes. It makes expectora-  
tion easy, and gives instant relief and  
refreshing rest to the cough-racked con-  
sumptive. New trial bottles, 25c; large  
size 75c. At all druggists.—W. T.  
Brooks.

## FIVE BISHOPS RETIRED

Walden, Vincent, Foss, Mallalieu  
and Andrews.

Eight New Bishops Are to be Elected  
to Fill Vacancies Caused by Death,  
Resignation and Retirement  
by the Methodists.

Los Angeles, Cal., May 18.—Action  
on two important matters was taken  
by the general conference of the Meth-  
odist church at Tuesday's session. The  
report of the committee on Episcopacy  
recommending that the conference  
elect eight bishops to fill the vacan-  
cies caused by death, resignation and  
retirement during the present quad-  
rennium, was adopted. At the close of  
a heated and remarkable debate be-  
tween Dr. James R. Buckley and Dr.  
Thomas B. Neely, the two foremost  
parliamentarians of the Methodist  
church, the conference adopted the re-  
port of the special judiciary com-  
mittee which finds that the conference has  
no executive authority to district the  
Episcopacy—that is, to substitute a  
diocesan for the present itinerant form  
of the residency and administration of  
bishops.

The first official announcement of  
the vote by which on last Saturday the  
conference, superannuated Bishops An-  
drews, Mallalieu, Vincent, Foss and  
Walden was made to the conference in  
the reading of the minutes at the open-  
ing of the session, as follows:

Andrews, for retirement, 585;  
against, 78.  
Foss, for retirement, 500; against,  
163.

Vincent, for retirement, 585;  
against, 78.  
Mallalieu, for retirement, 517;  
against, 90.

The election of the eight bishops be-  
gan Wednesday morning and it is ex-  
pected to occupy considerable time, ac-  
cording to the number of ballots cast,  
before a final result is reached. Un-  
der the rules of the conference there  
are no nominations, the delegates be-  
ing allowed to vote for whomsoever  
they wish, but that they must vote  
for the full number of bishops to be  
elected.

The feature of Tuesday's session  
was the sensational debate between  
Dr. Buckley and Dr. Neely upon a sub-  
stitute offered by the latter for the  
judiciary committee report of the con-  
stitutionality of the re-districting of  
bishops.

### INDIAN LANDS.

Turned Over to the Government For  
Public Allotment.

Sioux Falls, S. D., May 18.—The  
Rosebud Indian reservation, in the  
southeastern part of South Dakota, in  
the great corn belt of the Mississippi  
valley, has been turned over by the In-  
dians to the government for public al-  
lotment under the United States home-  
stead laws.

About 400,000 acres are in the res-  
ervation, and the only requirement for  
entering its citizenship, not less than  
21 years of age, and the payment of \$1  
per acre at the time of entry, with de-  
ferred payments of 75 cents each at  
the end of two, three, four and five  
years. The applicant must be present  
in person at the registry land office at  
Rosebud, Fairfax or Yankton, S. D.,  
for registration. The books will be  
opened July 5, and the drawings begin  
July 28, final entry to be made Au-  
gust 6.

### THE VOTE IN DENVER.

Both Parties Claim the Election of the  
Mayor.

Denver, Col., May 18.—A count of  
two-thirds of the tickets indicates that  
Robert M. Speer, dem., is elected may-  
or by 6,000 plurality. The republicans  
claim that 70 per cent. of the scratch-  
ed tickets are for Springer and that he  
is elected by 2,000 plurality. The dem-  
ocrats are claiming nine out of the six-  
teen aldermen and all of the supervi-  
sors. If the face of the returns show  
Speer's election, as it is believed they  
will, the republicans declare they will  
contest the election.

### BLACK HILLS PIONEER.

H. N. Ross, the Man Who Discovered  
Gold, Is Dead.

Custer, S. D., May 18.—H. N. Ross,  
the oldest pioneer of the Black Hills,  
died Tuesday. He had the distinction  
of being the man who discovered gold  
in the Black Hills. He first came here  
in 1874 as a scout for Gen. Custer. He  
was born near Youngstown, O., and  
since a young man led a roving life  
on the frontier.

### Japs Hiding Their Movements.

London, May 18.—No further news  
has reached London throwing light up-  
on the appearance of Japanese troops  
northeast of Mukden or indicating by  
what route they reached that point so  
unexpectedly. The Japanese are suc-  
cessful in hiding their movements.

### Ex-Secretary of War Root.

Washington, May 18.—Former Sec-  
retary of War Hon. Elihu Root was in  
conference on political matters with  
the president Tuesday night. He came  
to this city early in the evening and  
went directly to the white house where  
he remained as a guest.

### Delegates Elected.

Concord, N. H., May 18.—At the Sec-  
ond congressional district convention  
Winston Churchill, of Cornish, the  
novelist, and Bertram Ellis, of Keene,  
were elected delegates to the republic-  
an national convention.
